CD30	#07		This was second time this interviewer was used against targeted subject; he was therefore privy to knowledge provided during session #CD27.	Informed that some elements were correct but that primary elements were wrong.	30 May 80 3 Jun 80 (0900 hrs)	a. Bldg. at location described as: brick, decorative pillars, flat roof, small hotel type apt., 8-10 stories in height, row of trees down front., bldg contains convention center, banquet hall, restaurant, bar, is a multi-purpose hotel.	
		(This was first time targeted against subject by this viewer)				b. Street described as: tree shaded, Greek neighborhood, neighborhood predominantly flat roofed brick type structures. Bldg. across street 2 stories in height.	
		SG1A				c. Street suspension bridge down street like N.Y. or San Francisco.	
			NOTE: Analyst felt that there wasn't sufficient data presented for them to work on - considering fact that some major elements were known to be wrong.
